

As an accomplished speaker, he is ready to inspire and educate audiences with his insights into Immigration matters, International Family Law, and the importance of community engagement. Invite Jules to speak at your event and witness the positive impact he can make.

SPEAKER PROFILE

JULES CESAR

International Family Law, Immigration Rights, Pro Bono Law

Jules César, a dedicated Associate at Ellsworth Johnson Michaud, brings a wealth of legal expertise and a passion for community service to the forefront. A graduate of the Université de Moncton's Faculty of Law, where he earned his Juris Doctor degree, Jules was admitted to the Bar of New Brunswick in 2019. Fluent in both English and French, he maintains a dynamic legal practice with a special focus on Immigration matters and International Family Law.

During his academic journey, Jules displayed extraordinary commitment as the Coordinator of the Pro Bono Program for two consecutive years. His remarkable contributions led to the establishment of the New Brunswick Refugee Clinic, an achievement that earned him recognition among the top 20 friends and alumni who have significantly shaped the Pro Bono Canada Program over the past two decades.

Jules honed his legal skills in civil litigation before joining Ellsworth Johnson Michaud, where he further developed his expertise. This invaluable experience has equipped him with a deep understanding of evidence and procedure, enabling him to appear before all court levels in the province of New Brunswick.

Beyond his legal pursuits, Jules is a dedicated community champion. He is a founding member of the Labo des jeunes, a program sponsored by Pond Deshpande Centre, which is dedicated to mentoring young individuals interested in robotics, programming, and academic support.

He is also past President of Saint-Anne University's Best Buddies Canada Chapter and the founder and past President of U de Moncton's Best Buddies Chapter. Best Buddies Canada is a proactive initiative dedicated to fostering enduring friendships among individuals facing Intellectual and Developmental Disabilities. Each year, this program touches the lives of 18,000 participants, encompassing a diverse spectrum of ages and backgrounds, spanning across 500 chapters nationwide.

Jules has been invited to speak on issues of Human rights at Mount Allison University and the Importance of community involvement at various faculties of The University of Moncton.

In acknowledgment of his outstanding contributions to the community, Jules was awarded the prestigious Queen's Platinum Jubilee Medal.

With his diverse experiences and unwavering dedication to both legal practice and community involvement, Jules César brings a well-rounded perspective to his role as an Associate at Ellsworth Johnson Michaud.

As an accomplished speaker, he is ready to inspire and educate audiences with his insights into Immigration matters, International Family Law, NonProfits and the importance of community engagement. Invite Jules to speak at your event and witness the positive impact he can make.
